Masquerade Mystic

Imported masquerade mask eye glasses in a variety of spectacular styles and colours. These masks are so easy to wear with the adjustable arms and a fitted nose piece. If you are a creative type why not add some extra feathers or sequins and embellishments to custom make your own distinct piece.

Unique Pirate Costumes @

P.L

In store now is our latest range of new original Pirate costumes for male and females in a variety of sizes.

Be unique in a costume hired from Petticoat Lane.

Facepaints For Fun

Cosmetic grade coloured face paints for all your makeup needs. These are particularly well liked face paints because they wash off with water and a soft face cloth. The little nib closure means you can reseal the tubes and use multiple times. And there are lots of colours to select from!
