Hire a costume that's original ...

Our collection is amazing!! Many of the sets have been made by seamstresses locally out of quality fabrics and are substantially nicer to wear than a flimsy online purchase! The beauty of hiring is that you can try on the outfit and also mix and match pieces. That way you can be assured of wearing an original looking costume unlike any other. This is really the essence of the dress up party –creating your special look with accessories to match!

Coming soon SUGAR SKULL masks

These are the most fun looking masks around at the minute and everyone is going to want to choose their own design to add to a Day of the Dead inspired costume. 20 different styles to choose from for male and female.
